**Section 2. Principles of Construction**

The following rules or meanings shall be applied in the construction and interpretation of Ordinances codified in this Code of Ordinances unless such application would be clearly inconsistent with the plain meaning or intent of the Ordinances:

In computing any period of time prescribed or allowed by these Ordinances, the day of the act or event from which the period of time begins to run shall not be included, but the last day of the period shall be included, unless it is a Saturday, a Sunday or a legal holiday. If the period of time prescribed or allowed is less than seven (7) days, Saturdays, Sundays and legal holidays shall be excluded in the computation. As used in this Section, “legal holiday” means any statewide legal holiday specified by state law.

- E. Gender. Every word in these Ordinances referring to gender shall be gender neutral.
- F. General rule. All words and phrases shall be construed according to their plain meaning in common usage. However, words or phrases with a technical or special meaning shall be understood and construed according to that technical or special meaning if such is the intent of the Ordinances.

- H. Repeal. When any Ordinance having the effect of repealing a prior Ordinance is itself repealed, such repeal shall not be construed to revive the prior Ordinance or any part thereof, unless expressly so provided.
- I. Singular and plural. Every word in these Ordinances referring to the singular number only shall also be construed to apply to several persons or things, and every word in these Ordinances referred to the plural number shall also be construed to apply to one (1) person or thing.
- J. Tense. The use of any verb in the present tense shall not preclude the interpretation of the verb in the future tense where appropriate.
